

Installation Manual

V-Ray for Education

For Windows

Attention: your license will automatically be linked to the email address you provided with your order. Provide the same email address when creating your Chaos account.

Step 1: Order V-Ray on SURFspot. Within 15 minutes you will receive an email from us with instructions. Click on the link in this email, you will now be redirected to the website where you can install V-Ray.

Aan de slag met V-Ray

Binnen twee werkdagen ontvang je van ons een mail met daarin jouw Chaos account.
Klik [hier](#) om te zien hoe je V-Ray moet installeren.

Step 2: On this page you can find instructions for installing and activating V-Ray. Click on “Download V-Ray for SketchUp”.

Overview

This guide is to serve as a reference for the installation of V-Ray for SketchUp.

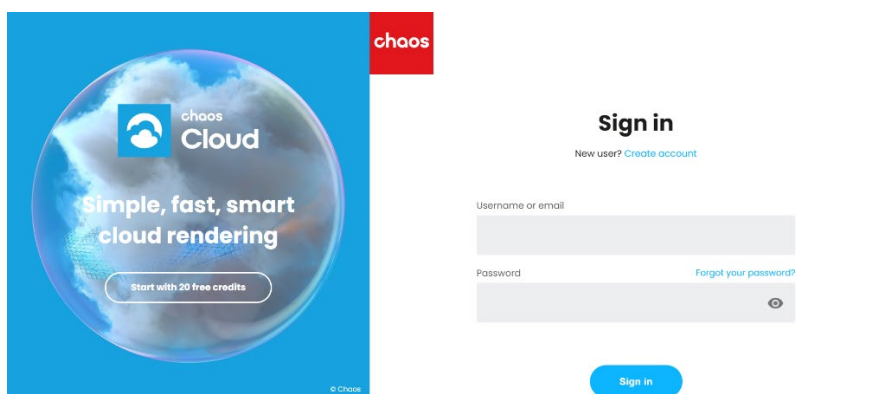

A complete installation of V-Ray for SketchUp consists of:

- V-Ray
- V-Ray Online License Server
- V-Ray Swarm
- Chaos Cloud Client

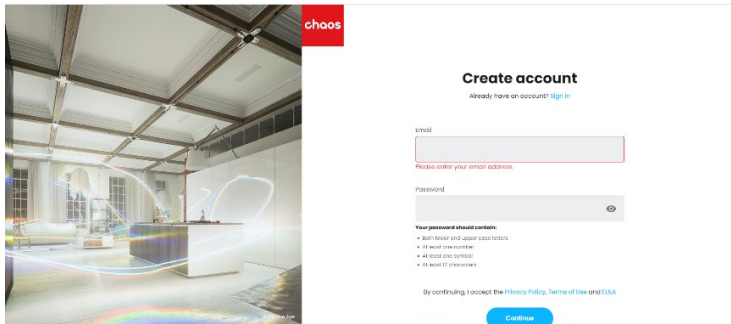

If you are a trial user, please refer to the [Trial installation](#), as the process differs from the one showed on this page.
