

# Installation Manual

## Adobe Express Premium

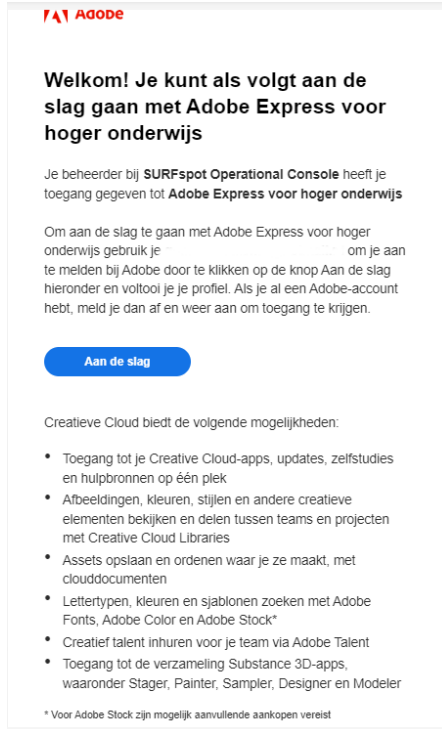

For Windows and Mac

**Attention!** Before you get started the following things are important:

- You will not receive a license code from Adobe.
- The membership will be linked to the email address you provided with your order. While placing your order please provide a **personal** email address. When you use the email address from your educational institution, this will cause complications.
- Your license is active as soon as your order is placed.
- The end date is equal to the order date plus one year.

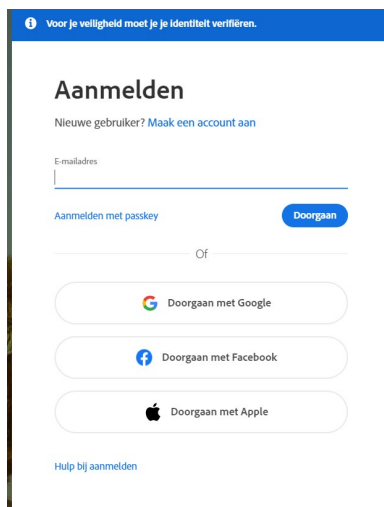

**Step 1:** Order Adobe Express Premium on SURFspot. Adobe Acrobat Pro via SURFspot. Within 15 minutes you will receive an email from us with your order confirmation. You will also receive an email from Adobe titled “Get started with Adobe Express”.

**Step 2:** To activate your license, click on the “Get Started” button. You will then be redirected to the Adobe website.

### Already have an Adobe-account?

Sign off and click on “Get Started” to log in again. Enter your email address and password and click on “Continue”.

### Don't have an Adobe account yet?

Enter your email address and password and click on “Continue”.
